

COVID-19 Phase 3 Guidelines

- Do NOT enter facility if you or someone in your household has confirmed COVID-19 or symptoms similar to those of COVID-19 (fever, cough, fatigue, shortness of breath).
- Please maintain social distance of 6 feet at all times.
- Use hand sanitizer and/or wash hands frequently.
- Masks are required in the facility at all times.
- Only participants who have scheduled courses and/or scheduled lessons may enter the building. No walk ins allowed.
- Classes/groups must consist of 10 participants or less.
- Participants may only enter facility when instructor is on premises and no more than 10 minutes in advance.
- Participants must leave when their class/lesson is finished.
- Parents must wait for participants outside of the facility.
- Participants and instructors (except fencers) must enter and exit through the main front door.
- Fencers will enter directly into West Studio (not the front door) when the instructor invites them in.
- Please only bring what is needed for your class/lesson. The showers and lockers are not available at this time.
- Our water fountain is unavailable. Bring a pre-filled water bottle or plan to purchase a water bottle from the vending machine.

Please contact us at info@menomoneeclub.org with any questions about our procedures.

These guidelines are subject to change.

Thank you for your patience as we try to navigate this unprecedented situation.

We are so excited to have you back!
